Quality and Service, given to you.

Taking time to show they care  
for families and children everywhere  
Vietnam, Bolivia, China and more  
Smiles of children, nations of poor.

Little kids, with faces of pain  
need Doctor's and Dentist's, their lives to reclaim.  
No way to pay their dental fee.  
till "Operation Smile" set them free.

Dr. Mike's service to the poor,  
gave him experience and so much more.  
Things you couldn't learn in school,  
cause knowledge is only a tool.
